Permission to sublease

Dear

As already stated, I wish to sublet my property [insert description of your property here] for the time period from [planned start of sublease] to [insert planned end of sublease] because I [insert reason for sublease here].

I have advertised my property on the platform www.Tempoflat.at and would now like to sublet it to [Mr/Ms] (detailed information including the sublease terms can be found in the attached sublease contract).

[If you have purchased a SECURITY package]

Tempoflat carried out a security check of [Mr/Ms], prepared the sublease contract and provides advice on organizational and other issues in order to ensure the sublease process is carried out smoothly.

The property will be rented for the rental price of [€] per month. This rental price includes all furniture, other equipment [list additional items here: internet, telephone, TV fees, etc.] and the operational costs.

I wish to continue using the property following the end of the sublease.

As the move-in date is approaching, I ask that you issue your consent to the sublease as soon as possible. Please contact me if you have any questions or are unwilling to give your consent.

Yours sincerely,
